O3 SOLUTIONS NAMED FRONTRUNNER FOR CONSTRUCTION SOFTWARE

Birmingham, Ala. May 18, 2022 — O3 Solutions announced today it was named a FrontRunner for Construction software by Software Advice. FrontRunners is designed to help small businesses evaluate which software products may be right for them.

“We’re elated to be named as one of the top construction software solutions for projects seeking to improve productivity and efficiency,” said Josh Girvin, O3 Solutions CEO & Founder. “O3 Solutions is the only industrial construction software built to support Advanced Work Packaging and agile methods on projects. The industry is making a great leap into the digital world and we’re excited to be on the leading edge.”

FrontRunners is published on Software Advice, the leading online service for businesses navigating the software selection process. FrontRunners evaluates verified end-user reviews and product data, positioning the top scoring products based on Usability and Customer Satisfaction ratings for small businesses.

FrontRunners for construction software is available at <https://www.softwareadvice.com/construction/project-management-software-comparison/#frontrunners>.
