O3 SOLUTIONS NAMED IN CAPTERRA SHORTLIST REPORT FOR CONSTRUCTION SOFTWARE

Birmingham, Ala. May 25, 2022 — O3 Solutions announced today it was named a top construction software product by Capterra, a free online service that helps organizations find the right software.

"We're elated to be named as one of the top construction software solutions for projects seeking to improve productivity and efficiency," said Josh Girvin, O3 Solutions CEO & Founder. "O3 Solutions is the only industrial construction software built to support Advanced Work Packaging and agile methods on projects. The industry is making a great leap into the digital world, and we're excited to be on the leading edge."

Capterra Shortlist is an independent assessment that evaluates user reviews and online search activity to generate a list of market leaders in the construction space that offer the most popular solutions. The Construction Management Shortlist report is available at https://www.capterra.com/construction-management-software/#shortlist
